

Seat-Lift Chair Pricing Examples

Medicare allowable is \$366.54 for the seat lift mechanism. Of that price they will cover approximately 80% = \$293.23. If the beneficiary has a supplement to Medicare (Other than Medicaid) they usually cover the remaining 20% = \$58.65. If the beneficiary has a supplement that is IA or NE Medicaid they will cover the remaining 20% of the lift mechanism and the furniture portion.
